Summer ( 6 pages, scroll down)

**Welcome back everyone!**

**We hope you enjoyed your Easter & your Bank Holiday weekends!**

**Time goes by so fast doesn't it! Now that we are all back to the crazy routine!**

**Bring on the warm weather!!**

**I wanted to kick start this Summer Newsletter with a big thank you to everyone! Thank you for joining our events, for purchasing your tickets and for supporting our PTA.**

**We could ask daily for volunteers but with out the ticket sales and with out you spending your money, we wouldn't do as well as we do! We genuinely hope that your children enjoy our events and that we make the arrangements as easy as possible for you.**

**As always, we would welcome your feed back at any time.**

**Every penny that you spend is channelled back into the school for the children's benefit. Just brilliant!**

**Before I share some dates to remember, I would like to give you a visual idea of what YOU have helped to achieve and how much YOU have helped to raise, over the past 3 years.**

**I am sure you will agree that this is awesome! You made this possible!**

**Thank you everyone x**

**Summer Fayre Donation & Planning**

**We are busy planning our Summer Fayre, for this to run smoothly we need volunteers to help set up, run stalls and help clear away. Please get in contact if you are willing to help!**

**Your donations have always been incredible, thank you for making our lives a little easier by sending these into school! Over the coming weeks we will contact you again but for now, please feel free to make a start with your fun filled “Jolly Jars” – you could fill them with anything you like! (For example - Stickers/Beads/Crayons/Sweets)! These can be sent into your class teacher at your convenience. Nearer the time we will be requesting further donations! As always, thank you for your support!**

*Thank you for reading our newsletter.*

*We all have busy lives and fit so much in don't we!*

*When I joined the committee I was unsure how much more I could fit in & this made me a little nervous!*

*If you are wondering what is involved, should you join, please be assured that it does not have to take up all your spare time! We have one meeting a month, you can join in person or on line and this single meeting lasts no longer than two hours. We discuss our plans and work together to create great events. There is no pressure to take on too much! The meetings are relaxed and comfortable! You may wish to volunteer for one small, half hour job, believe me this would be MASSIVE to us and make a huge difference!*

*I love knowing that if I ever struggle with my timings I can be honest and speak up! We will never expect too much from you!*

*Give it some thought maybe?*

*If you wish to know more or speak in person please contact us.*
